Class Competition

Loving Gymnastics...

Just can't stop that feeling!

All class gymnasts registered in the Girls and Boys Recreational, Mighty K's, Future Stars, Invitational Only and Developmental programs are invited to participate in this prestigious competition, which is held exclusively for the class gymnast.

The goal of the recreational class program is to build confidence and self-esteem. Each gymnast will be competing in the level where they will find the most success. Girls and boys will be placed within their age/ability level for this fun filled competition. Routines have been developed combining skills which the gymnasts are working in the Class Program.

A participation medal is given to every gymnast who takes part in the competition. Ribbons will be given on every event based on the individual's achievement. All-Around ribbons will be given to every gymnast with the top gymnast in his/her age/ability level receiving a trophy for their accomplishments. Special coach's performance awards will also be awarded.
